

Frontdesk Chatbot — RAG Knowledge Base

Traditional Indian Sweets & Snacks | Online Store

Version 1.0 | March 2026

Document Purpose

This document is the single source of truth for the Pettikadai.in frontdesk chatbot's Retrieval-Augmented Generation (RAG) system. It contains all business information, policies, product knowledge, and Q&A pairs that the chatbot needs to accurately assist customers on the website.

The chatbot should retrieve relevant chunks from this document to answer customer queries about products, orders, delivery, payments, returns, and any other store-related topics.

1. ABOUT PETTIKADAI

1.1 Brand Overview

Brand Name	Pettikadai (also stylized as PettiKadai)

1.2 Brand Story & Mission

The word 'Pettikadai' refers to those beloved tiny corner shops found on every street in Tamil Nadu, India — the ones that magically produced every childhood delicacy. The brand was born from a desire to bring those nostalgic, authentic flavours from the small towns of Tamil Nadu to people all over the world.

Pettikadai was founded with the mission to digitize the traditional Pettikadai. Through its parent company South2Globe Products, Pettikadai curates legendary foods that have created singular identities for their makers — sourcing them directly from their places of origin and delivering them to customers' doorsteps.

The brand believes: Being far from home doesn't mean being far from your memories.

1.3 Brand Promise

- No Palm Oil
- No Preservatives
- Traditional Recipes passed down through generations
- Made Fresh Daily
- Sourced from Famous Sweet Shops across Tamil Nadu
- No Artificial Colors
- 100% Natural Ingredients
- Fast Doorstep Delivery

1.4 What Makes Pettikadai Different

Unlike generic online grocery stores, Pettikadai specializes exclusively in authentic, region-specific South Indian sweets and snacks. Each product is sourced from its town of origin — for

example, Tirunelveli Mixture from Tirunelveli, Sattur Sev from Sattur, and Srivilliputhur Palkova from Srivilliputhur. The brand maintains direct relationships with traditional makers and small-town sweet shops, ensuring authenticity and quality that cannot be replicated by mass production.

2. PRODUCTS & CATEGORIES

2.1 Main Product Categories

Sweets (Mithai)

- Srivilliputhur Palkova — the iconic milk-based sweet from Srivilliputhur
- Puliyamarathadi Palkova — variant palkova from the same region
- Karupatti Halwa — palm jaggery halwa
- Thirupathi Laddu — the sacred prasadam from Tirumala Temple
- Jangiri — deep-fried urad dal sweet soaked in sugar syrup
- Peanut Candy — traditional groundnut chikki
- Sesame Candy — til/sesame seed chikki
- Sakkarai Pongal — sweet rice and jaggery preparation

Savouries & Snacks

- Tirunelveli Mixture — spiced savoury mix, a Tirunelveli specialty
- Sattur Sev — thin chickpea-flour noodle snack from Sattur
- Sattur Garlic Sev — garlic-flavoured version of Sattur Sev
- Sattur Pepper Sev — pepper-spiced Sattur Sev
- Kaara Bondhi — spicy fried lentil balls
- Navathaniyam — mixed nine-grain savoury
- Madurai Mixture — Madurai's version of the savoury mix
- Kai Suthu Murukku — hand-twisted rice flour murukku
- Nagercoil Banana Chips — Nendram banana chips from Nagercoil

Fresh & Seasonal Produce

- Native Mangoes (seasonal) — varieties include Imampasanth, Salem Bengaluru, Malgova, Nadusalai, Gudadath, Alphonso
- Fresh items vary by season — customers should check the website for availability

Combo Packs

- Curated combos of popular sweets and snacks at bundled pricing
- Ideal for gifting and trying multiple products at once
- Combos are available on the website under the Combos section

2.2 Product Quality Standards

All products are freshly made in small batches, sourced directly from traditional makers and famous sweet shops in Tamil Nadu. Products contain no palm oil, no preservatives, no artificial colours, and only natural ingredients. Items are packaged in sealed packages to maintain freshness during transit.

2.3 Allergen Information

Many products contain common allergens such as nuts, sesame, dairy, and gluten. Customers with specific allergies should read the product description carefully on the product page or contact support@pettikadai.in before ordering. The chatbot should always recommend checking the product page or contacting support for allergen queries, and should not make definitive allergen-free claims.

2.4 Shelf Life

Since products are freshly made without preservatives, shelf life varies by product. Customers should check the individual product page for shelf life information. Generally, savouries last longer than sweets. Once opened, it is recommended to consume products within a few days.

3. ORDERING PROCESS

3.1 How to Place an Order

Customers can shop on pettikadai.in. The ordering process is as follows:

- Browse the website and add desired products to the cart.
- Proceed to checkout once the cart is ready.
- Submit the shipping address.
- Select the preferred payment method.
- Confirm the order.

An order confirmation email and SMS will be sent immediately after placing the order. Another email/SMS notification will be sent when the order is dispatched.

3.2 Order Tracking

Customers can track their order by logging into their Pettikadai account and visiting the 'MY ORDER' section. In case of any unusual delay, Pettikadai will proactively send a special update or contact the customer by phone.

3.3 Order Modifications

Once an order is confirmed and accepted by Pettikadai, no products can be added to the same order. A separate order must be placed for additional items. Order cancellations are only possible before the cut-off time of 5 hours after placing the order (see Section 6 for Cancellation Policy).

3.4 Bulk & Corporate Orders

Pettikadai accepts bulk orders for parties, corporate events, and reselling purposes. Prices may vary based on product selection and quantity. To place a bulk order, customers should email info@pettikadai.in with their requirements including product name, quantity, and delivery address.

3.5 Gift Orders

Pettikadai ships products as gifts; however, due to regulations, an invoice is always sent along with the product, and product tags are left intact (so the recipient can return or exchange if needed). It is not possible to ship without an invoice or price tag.

3.6 International Orders

Pettikadai accepts international orders. Customers interested in ordering from outside India should email support@pettikadai.in with the following details: shipping address, product name(s), and quantity. Payment for international orders can be made using any Indian credit/debit card or via NEFT/IMPS.

4. SHIPPING & DELIVERY

4.1 Delivery Timelines

Within Tamil Nadu	24 – 48 hours after dispatch
Other States in India	3 – 4 working days after dispatch
International Orders	Communicated via email — contact support@pettikadai.in
Note	Delivery times may vary depending on the shipping address and any unforeseen logistics delays.

4.2 Shipping Partners

Pettikadai has tie-ups with reputed courier companies to ensure timely delivery. All orders are shipped in fully sealed packages to protect the products and ensure they arrive in perfect condition.

4.3 Shipping Notifications

Customers receive an email and SMS when the order is placed (confirmation) and again when the order is shipped (dispatch notification). If there is an unusual delay, a special update or call is made to the customer.

4.4 Delivery Coverage

Pettikadai delivers across India and accepts international orders as well. For international deliveries, customers must initiate the order via email to support@pettikadai.in.

5. PAYMENTS

5.1 Accepted Payment Methods

- Credit Cards (all major cards)
- Debit Cards (all major cards)
- Net Banking
- UPI / Digital Wallets
- NEFT / IMPS (for international orders)

5.2 Payment Gateways

All card and net banking transactions are processed over secure, encrypted payment gateways — PayUmoney and Paytm. Customer financial information is fully protected.

5.3 Payment Failures

If a payment fails, customers should ensure: (1) the account details, billing address, and net banking password entered are correct, and (2) the internet connection was not disrupted during the payment process. If an account has been debited after a payment failure, the amount is typically rolled back to the customer's bank account within 7 business days. For further clarification, customers should email support@pettikadai.in.

5.4 Payment Security

Pettikadai uses industry-standard SSL encryption and trusted payment gateways. Customers' financial information is never stored on Pettikadai's servers.

6. CANCELLATIONS & REFUNDS

6.1 Cancellation Policy

Orders can be cancelled only before the 5-hour cut-off time from when the order was placed. To cancel, customers must contact Customer Care at support@pettikadai.in as soon as possible. Once an order has been shipped, it cannot be cancelled.

6.2 Refund Policy

If an order is successfully cancelled before the cut-off time, the payment will be refunded to the customer. If the account was debited for a payment failure, the refund is processed within 7 business days by the bank. For product quality issues or damaged goods, customers should contact support@pettikadai.in with their order details and the chatbot should direct them to customer support.

6.3 Returns

Product tags are kept intact during delivery so that a product can be replaced if there is an issue. Customers experiencing product quality problems should reach out to support@pettikadai.in with order details, a description of the issue, and (if possible) a photo of the product.

7. CUSTOMER SUPPORT

7.1 Contact Information

General Support	support@pettikadai.in
Bulk / Corporate Orders	info@pettikadai.in
International Orders	support@pettikadai.in
Physical Address	No. 19/7, Vegetable Shop Street, Palayamkottai, Tirunelveli, Tamil Nadu, India
Support Hours	Check the website for current support hours

7.2 Response Commitment

Pettikadai's support team aims to address all customer queries promptly. For order-related emergencies such as cancellations, customers should email support@pettikadai.in immediately since there is a strict 5-hour cancellation window.

7.3 Chatbot Escalation Triggers

The chatbot should escalate to human support (by providing the support email) in the following situations:

- Customer reports a damaged or wrong product
- Order tracking shows no update for over 5 days
- Payment deducted but order not confirmed
- Customer requests a refund or replacement
- International shipping queries
- Bulk or corporate order enquiries
- Complaints or negative experiences
- Allergen or medical diet-related product queries

8. FREQUENTLY ASKED QUESTIONS (FAQ)

This section contains pre-built Q&A pairs for the chatbot to retrieve and serve directly. Each Q&A pair is a high-relevance chunk for RAG retrieval.

8.1 Products & Quality

Q: Are the products fresh? Do they contain preservatives?

A: Yes, all Pettikadai products are made fresh daily using traditional recipes. They contain no preservatives, no palm oil, no artificial colours, and only 100% natural ingredients.

Q: Are the products authentic? Where are they sourced from?

A: Absolutely. Each product is sourced directly from its town of origin in Tamil Nadu — for example, Tirunelveli Mixture from Tirunelveli, Sattur Sev from Sattur, Srivilliputhur Palkova from Srivilliputhur. Products are made by traditional makers and famous sweet shops.

Q: I have a food allergy. How can I check if a product is safe for me?

A: Please read the product description carefully on the product page. If you need more specific allergen information, email support@pettikadai.in before placing your order. We always recommend checking before ordering if you have serious allergies.

Q: What is the shelf life of the products?

A: Since products are freshly made without preservatives, shelf life varies by product. Please check the individual product page for shelf life details. Generally, savouries have a longer shelf life than sweets.

8.2 Ordering

Q: How do I place an order?

A: Browse pettikadai.in, add products to your cart, proceed to checkout, enter your shipping address, choose your payment method, and confirm your order. You will receive a confirmation email and SMS immediately.

Q: Can I add more products to my order after it's placed?

A: Unfortunately no. Once an order is confirmed and accepted, no additional products can be added to it. You will need to place a separate order for any additional items.

Q: Do you accept bulk orders for events or corporate gifting?

A: Yes! We accept bulk orders for parties, corporate events, and reselling. Prices may vary based on quantity. Please email info@pettikadai.in with your requirements (product, quantity, and delivery details).

Q: Can I order as a gift without a price tag or invoice?

A: We understand the request, but due to regulations, all shipments must include an invoice and product tags. Tags are also left intact so the recipient can exchange the product if needed.

Q: Do you accept international orders?

A: Yes, we accept international orders. Please email support@pettikadai.in with your shipping address, product name, and quantity. Payment can be made using any Indian card or NEFT/IMPS.

8.3 Delivery & Tracking

Q: How long does delivery take?

A: Within Tamil Nadu: 24–48 hours. Other states in India: 3–4 working days. Delivery times may vary based on your location and other factors.

Q: How do I track my order?

A: Log in to your Pettikadai account on pettikadai.in and go to the 'MY ORDER' section to check the current status of your order.

Q: How will I know my order has been placed and shipped?

A: You will receive an email and SMS confirming your order right after placing it, and another notification when your order is shipped. If there is an unusual delay, we will send a special update or contact you directly.

Q: Do you deliver outside India?

A: Yes, we ship internationally. Please email support@pettikadai.in with your international shipping address and order details to get started.

8.4 Payments

Q: What payment methods do you accept?

A: We accept all major credit and debit cards, net banking, UPI/digital wallets, and NEFT/IMPS (for international payments). All transactions are secured via PayUmoney and Paytm gateways.

Q: My payment failed but my account was debited. What should I do?

A: This is typically a bank-side issue and the amount is usually rolled back within 7 business days. Please ensure your account details, billing address, and internet connection were correct during payment. If the issue persists, email support@pettikadai.in.

Q: Is online payment on Pettikadai safe?

A: Yes, all transactions are processed over secure, encrypted payment gateways (PayUmoney and Paytm). Your financial data is never stored on our servers.

8.5 Cancellations & Refunds

Q: Can I cancel my order?

A: Yes, but only within 5 hours of placing the order. Please email support@pettikadai.in immediately to request a cancellation. Once the order has been shipped, it cannot be cancelled.

Q: How do I get a refund?

A: If you cancel before the cut-off, your payment will be refunded. For payment failure deductions, refunds are processed within 7 business days. For other refund requests (damaged goods, wrong product), please contact support@pettikadai.in with your order details.

Q: I received a damaged or wrong product. What should I do?

A: We're sorry to hear that! Please email support@pettikadai.in with your order number, a description of the issue, and a photo if possible. Our team will resolve it as quickly as possible.

9. CHATBOT BEHAVIOUR GUIDELINES

9.1 Tone & Personality

The Pettikadai chatbot should reflect the brand's warm, nostalgic, and community-rooted identity. It should be:

- Friendly and conversational — like talking to a helpful shopkeeper
- Warm and welcoming — use phrases like 'Happy to help!' and 'Of course!'
- Knowledgeable — able to describe products with authentic detail
- Honest — never overpromise on delivery times or policies
- Brief but complete — give clear answers without unnecessary length

9.2 Language Support

Pettikadai serves customers across India and globally. The chatbot should primarily respond in English. If a customer writes in Tamil, the chatbot should attempt to respond in Tamil if the system supports it, or gracefully acknowledge and respond in English.

9.3 Topics the Chatbot Should Handle

- Product information (ingredients, taste, region of origin, shelf life)
- Product availability and new arrivals
- How to place, track, or modify an order
- Delivery timelines and shipping coverage
- Payment methods and payment issues
- Cancellation and refund process
- Bulk and gift orders
- International orders
- General brand story and FAQs

9.4 Topics the Chatbot Should NOT Handle

- Specific medical or dietary advice (refer to support email)
- Definitive allergen clearance (refer to support email)
- Pricing negotiations (refer to info@pettikadai.in for bulk)
- Promises about exact delivery dates beyond what policy states
- Processing refunds or cancellations directly (chatbot should direct to support email)

9.5 Fallback Responses

When the chatbot cannot find a relevant answer in its knowledge base, it should respond with something like: 'I don't have that information right now, but our support team will be happy to help! You can email us at support@pettikadai.in and we'll get back to you as soon as possible.'

9.6 Key Phrases to Recognize

User says	Chatbot topic to retrieve

'gift', 'gift order', 'no price tag'	Gift Orders (Section 3.5)

10. DOCUMENT MAINTENANCE

This RAG document should be reviewed and updated in the following situations:

- New product categories or products are added to the store
- Pricing, delivery timelines, or policies are changed
- New payment gateways or methods are introduced
- New frequently asked questions emerge from customer support logs
- Business address, contact emails, or support hours change
- Seasonal products (e.g., mangoes, festival specials) become available or unavailable
